Message from your President

By Adrian Corrigan

It's September, with summer and vacations slowly coming to an end. Before we know it, the cooler weather will take over and winter will be here bringing cold temperatures and snow on the ground. This month all our clubs will be returning back from summer break and once again holding their meetings.

The Trustees are also back on September 11th and will hold their Open Meeting in Room 1 @ 11 am followed by our HOA meeting that same day in the auditorium beginning at 6 pm. I'm looking forward to seeing many residents at one or both of those meetings.

Monday, September 1st, Labor Day is a federal holiday in the United States. It is celebrated on the 1st Monday in September to honor and recognize the American labor movement and the works and contributions of laborers to the development and achievements in the United States. Relax and enjoy!

On September 11th, 2001, Americans watched in horror as the terrorist attacks left 2,977 people dead in New York City, Washington, D.C. and Shanksville Pennsylvania. May we never forget and may those souls rest in peace.

ASSOCIATION BUSINESS OR INFORMATION:

*The ongoing court case by Joe Bushey was sent to the courts for review by the Honorable Judge Craig Wellerson, Ocean County Superior Court. There is no additional information at this time.

*The mobile DMV truck will NOT be available for this year.

*It is our understanding that many residents have problems or concerns with the robo can process. Please be advised that you must call the DPW at 732.349.4616. Sorry, but our front office cannot do anything to help you.

*Please be aware of our pool closing date (Sept. 21st) posted on our calendar in the Southwind.

Additional information about pool area usage will be provided by Trustee Joe Bushey.

*We are looking to assign our 7th Trustee as soon as possible. We will keep you updated.

*Robo Calls update: We have hired a new robo call company as of September 1st. This new company will have the ability to place the call, identify who was called, whether the resident received the call and answered, hung up on the call, or ignored the call. WE ARE ASKING THAT YOU MAKE SURE THAT YOUR PHONE NUMBER IS DEFINITELY REGISTERED IN OUR OFFICE. ONLY RESIDENTS WHO HAVE SUBMITTED THEIR PHONE INFORMATION WILL RECEIVE ROBO CALLS.

*Finally, on September 11th, at our HOA meeting we will be hearing from Guest Speaker - Tom Governale who will give us expert guidance for every step of the aging journey in Ocean County.

Adrian Corrigan

PRESIDENT'S FINAL THOUGHTS:

September Quote: "September offers you 30 fresh starts. May you use them wisely"

July 2025

Dear Residents,

We are pleased to announce delivery of your new trash & recycling cans for the Township's Automated Trash Program. The initial phase began earlier this month, and we anticipate the delivery of all cans will be completed by the end of August.

After September 15, 2025, we will begin accepting orders for the purchase of second cans if needed. The cost for an extra can is \$65. There is a maximum of two (2) trash cans and two (2) recycling cans per household.

Please begin utilizing the new trash (BURGUNDY) can and recycling (BLUE) can **only after your old cans have been emptied. To discard your old cans, please leave them at the curb. They will be collected separately within a few days.**

- TRASH should be securely bagged and placed in the **BURGUNDY** can.
- RECYCLING items must be placed loose (NO PLASTIC BAGS) in the **BLUE** can; cardboard must be flattened and also placed in the BLUE can.
- **Items placed outside a can, besides, or on top of a can WILL NOT BE COLLECTED.**
- Place your can: in the street, against the curb, and **with the lid facing out.**
- Place your can: at least four (4) feet from obstructions, including parked vehicles.
- Place your can: no earlier than 4 PM the day before, and no later than 5:30 AM on the scheduled collection day.

Residents with disabilities: Please provide a doctor's note stating you are disabled to be added to our list for special assistance. A staff member will retrieve your can from the top of your driveway and return it after being emptied. For more information about this program, please contact Public Works at: **732-349-4616**

BULK TRASH: Residents will continue receiving unlimited bulk trash collections throughout the year **but must first call 732-349-4616** to schedule the pickup. Bulk trash items should be placed in the street (and against the curb to avoid vehicle traffic) no earlier than 4 PM the day before, and no later than 5:30 AM on the scheduled collection day.

We appreciate your support and cooperation as we make these changes to better serve the community.

Our Troops

Dear Supporters and Friends,

Attached is a nice "thank you" letter from our troops at the USO, at the Drawsko Pomorskie Training Area, Poland. The letter was sent to long time troop supporters, at "Conquest Comics", in Bayville, NJ. Over the years they have generously donated well over 1,000 comic books, to be mailed to our military men and women deployed around the world. These types of donations are very well received, along with the many other items we send. Special thanks to "Conquest Comics", and all of you that help to make these mailing a success.

Lloyd

Thank you!
We greatly appreciate your donations of comic books! Service members were excited to see this special surprise and sort through and find comics that they loved! Here are pictures of service members your kind gesture benefited!
Thank you,
USO Drawsko Pomorskie

Thank You

To my friends and neighbors in HCS:

I want to thank you for the concern you showed about my operation and recovery. It was overwhelming. All of the well wishes, phone calls, get-well cards, fruit basket and gift card.

As my wife and I said 19 years ago when we moved here, it was the best decision we could have made. I am recovering, it's a long process and I will get better. Especially with all of your good wishes and prayers.

Thank you all,

John Fay

As summer is winding down, many people have been enjoying the pool and all the activities surrounding the pool, such as Karaoke Night and Dancing with the Stars.

Family day in July was a big success with the Ghost Burgers food truck and the free ice cream sundaes that we gave out! Kids were allowed in the pool till 10pm that day.

Hopefully September will be kind to us weatherwise and we can get to enjoy the pool till September 21st, which is the closing date.

HCS Movie Committee

Mike Dirienzo

I hope you're all enjoying the summer. In September we'll continue our twice monthly movies. When the evening weather permits we'll do movies outside in the large tent. A movie outside on a warm summer night can be lots of fun with friends and is reminiscent of going to the drive-in. Sometimes we'll show a cartoon and some old-time drive-in ads to add to the charm. Movies outside require much more work, so again we'll need volunteers to help out in order to continue.

For September we plan to show two movies. We'll present **'National Treasure'** (2004) at 8:30PM Saturday 9/13/25. Nicholas Cage plays a historian who races to find the legendary Templar Treasure. The second film in September will be **'Maleficent'** (2014) at 8:30PM Saturday 9/27/25. This could be fun with Halloween right around the corner. A vengeful magical being (Angelina Jolie) is driven to curse an infant princess.

These events are organized by the Movie Committee. Announcements will be posted in various clubhouse bulletin areas each month. You can bring your own favorite snacks and drinks; chairs are provided. Remember **no alcohol** is allowed in the enclosed pool area. We ask that everyone be considerate of others in the audience and of the volunteers giving up their time for you. Be sure to clean up after yourselves. Do not set up tables or do anything that might cause you harm. Come early - there's time to mingle and talk before the movie starts and after it ends if not too late.

Our Facebook group is www.facebook.com/groups/hcsmovienight if you want the most up-to-date info. If you don't use Facebook **you can also join our mailing list** for announcements by writing to us at hcsmovienight@outlook.com. Give your email address and I'll add you. Please note that these movie night dates are tentative and subject to change or cancellation.

I'd like to thank the other volunteers, especially Jim Granik and Elaine Dirienzo, who are helping with the work involved, also Gary Seaman, Vincent Arcchi, Jean Kammerer, and JoAnn Suboyu.

LAUGHIN' TIMES

By Dom Alagia

I tried to be normal once...worst two minutes ever.
My mirror and I are not talking. It keeps reflecting on the past.
I talk to myself because sometimes I need expert advice.
I don't snore...I dream I'm a motorcycle.
I followed a diet...it didn't follow me back.
I'm trying to cut back on carbs...by eating cookies with scissors.
I asked the waiter, "Will my pizza be long?" He said, "No, round."
My love for snacks is nacho problem.
You know you're getting old when...your idea of a night out is sitting on the patio.
Why did the scarecrow win an award? Because he was outstanding in his field!
I'm writing a book about procrastination. I'll get started on it tomorrow.
Where do hamburgers go to dance? A meat-ball.
Life's short. Smile while you still have teeth.
My wallet is like an onion. Opening it makes me cry.
I'm not arguing. I'm just explaining why I'm right.
My life feels like a test I didn't study for.
I cleaned my house for 5 hours, then the visitors canceled. Typical.
Life's like a sandwich - no matter which way you flip it, the bread comes first.

Lawn Damage Disclosure

Sprinkler Heads –It is the homeowner's responsibility to ensure the sprinkler heads are operating correctly and are down during the cut cycle. If there are raised sprinkler heads, they should be circled with do not cut flags to avoid damage. Concrete sprinkler collars cause significant damage to the lawn cutting equipment and should be removed. The Lawn Contractor will not repair damaged sprinklers due to raised sprinkler heads.

Sprinkler Valve Boxes and Well Cover Boxes – These boxes should be installed slightly below or at ground level. Covers are to be fastened to the boxes with set screws, to prevent lids from popping up and causing damage to mowers and landscaper personnel. Aged and deteriorated lids should be checked and replaced periodically because they have a tendency of cracking. The Contractor will not be liable for damages if the above guidelines are not followed. The Contractor is not responsible for damages to Verizon or other utility boxes.

Home Exterior – Homes should have a 12 inches barrier separating the home and its entities from the grass. Homes without the 12 inches barrier must have its siding and/or home exterior covering at least 12 inches in height or more from ground level. Contractor will not be liable for siding damage or home damage if guidelines are not followed.

Lawn and Landscape Décor, Lighting and Mailboxes – All should have a 12-inch barrier between them and the grass areas. All wires need to be buried to avoid being cut.

Ruts & Damaged Turf –Damage to lawns such as scalping and ruts will be considered on a case-by-case basis. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinkler system settings. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red "DO NOT CUT" flags from the HOA Office and circle the saturated areas so the mower operators know not to cut that area.

Lawn Area – Homeowners are to make sure the lawn is free and clear of stones, debris and personal property which can become a projectile or cause damage or injury. (Example: Garden hoses, dog leashes, tools, etc.) Any personal property should be a minimum of 12 inches away from the grass areas to prevent damage. All grass areas are to be level with proper soil and grass installation. Grind all stumps to ground level, chips removed and soil installed. All ground covering (mulch, stone, etc.) should be separated from the grass by a barrier, because if mixed in the grass they can become projectiles and can cause damage and personal injury. The Contractor will not be liable for repair or replacement of personal property if debris/ground covering is the cause of damage or injury.

Repairs – Any reported damages by a homeowner will be reviewed by the Association's Grass Liaison (Director) to determine if the Contractor is liable under the guidelines in the Contract Damage Disclosure. All grass cutting issues must be reported to the HOA Office in writing using the Lawn Complaint Form. Failure to complete a complaint form, voids the complaint. Lawn Complaint Forms forwarded to the Contractor for repair will be reviewed within 7 days of receipt and repaired within 10 days after reviewing. The Grass Liaison will be notified if damages will take longer to repair, which could happen due to circumstances beyond their control.

September 2025

September birthstone symbol is the sapphire - a beautiful blue stone. The birth flowers for September are the Forget-Me-Not, Morning Glory and Aster. For the folks out there that follow the Zodiac, the month of September are Virgo (until September 21) and Libra (from September 22 onwards).

Enjoy this wonderful time of year, the days are still sunny and summer is quickly passing, take what she brings.

September

"The breezes taste of apple peel. The air is full of smells to feel - ripe fruit, old footballs, burning brush, new books, erasers, chalk and such. The bee, his hive, well-honeyed hum and Mother cuts chrysanthemums. Like plates washed clean with suds, the days are polished with a morning haze."

By John Updike
