Message from your President

By Adrian Corrigan

Happy March to all! I hope this message finds everyone in good spirits. With March upon us, we look forward to the end of winter and the first signs of Spring. This month brings Saint Patrick's Day on the 17th, as well as our Men's Club St. Patrick's Dinner on March 14th in Building C.

We continue to stay busy with several projects: ongoing updates to our website and steady progress on the exercise room. We are also reviewing the many thoughtful suggestions we've received regarding our community codes. One recent update now allows fence panels along the rear of properties that back up to Mule Rd., offering both noise reduction and added privacy.

At this month's homeowners meeting, we will welcome a representative from the SNAP program, who will provide updates on recent changes and address your questions and concerns.

Our work to modernize and improve our community codes will continue throughout the year. Every change we make is with the best interest of our community in mind. Please keep your suggestions coming, and we encourage everyone to stay involved—your participation and volunteer efforts truly make a difference.

Before closing, I want to acknowledge something that was overlooked in recent months. A heartfelt thank you to **Carol Ann Bobowski** and **Gail Sanzari** for the tremendous work they put into organizing the Thanksgiving dinner for our residents. I also want to thank all the volunteers who decorated and supported our community throughout the holiday season. Your efforts were truly appreciated.

Thank you for your continued support. Please don't hesitate to reach out if I can assist you in any way.

Respectfully,

Adrian

Holly Twig

Susan Schmied

Holly Twig meets on the second Wednesday of each month at 9:30 a.m. in Clubhouse 2 at Holiday City Berkeley. We begin each meeting with coffee and conversation, often followed by an interesting program before moving into our business meeting.

Our members are always finding creative and meaningful ways to raise funds for Community Medical Center. These funds help purchase much-needed items that fall outside the hospital's general budget. Each hospital department may submit a "wish" request for items valued up to \$5,000. Your donations and purchases make it possible for these "wishes" to be granted. Thank you for your continued support.

One of our ongoing fundraising efforts is our partnership with **Second Time Around**, creating a true win-win opportunity. We gratefully accept new or gently used items, which are then consigned under Holly Twig's account at Second Time Around. When an item sells, 50% of the proceeds go to Holly Twig and 50% to Second Time Around—resulting in 100% of the funds benefiting the hospital. As you declutter or make room for something new, please think of Holly Twig and call to arrange a donation.

Be sure to read this article each month so you don't miss our upcoming events, including:

- **Butter Me Up – Scones** in the lobby on March 17
- **The Tupperware Lady** returning to the hospital on March 25 and 26

Holly Twig also continues to accept donations of new, soft yarn. Our members lovingly use this yarn to create baby hats for newborns, as well as chemo hats, shawls, and lap blankets for patients in the oncology department.

Welcome to March. Just think, April is right around the corner. As the saying goes, "April showers bring May flowers". The last two months have been really rough with the snowstorms, ice & freezing cold. Let's just hope that March is good to us. I'm sure everyone is tired & bored of being in the house & ready to go out & socialize. Our March meeting should be fun time, enjoying & dancing to Silver & Gold (lady singers). April's entertainment is Denny More, comic mentalist magician. He picks ladies in the audience to be part of his act. It's a night you don't want to miss. Alice has a new trip to Surfflight Theater on June 4th, A Grand night for singing. Also, be sure to buy your ticket for the Annual Mother's Day Luncheon at the Clarion on May 4th. Please donate gifts for the luncheon. The women's club gained a lot of new members this year & hope to see them come out & join us every month. Alice is planning more great trips for the future, we will keep you informed. If you know anyone who is not well or has lost someone, call our Sunshine Lady, Linda Vallent at 732-505-0803. All the ladies are doing a great job. The Women's Club is collecting toiletries for all Veterans for the VFW of Ocean County. Please bring to the monthly meeting, thank you.

Please support the Women's Club by going on these great trips and events:

March 11- Resorts Casino 4 hr. with slot play.
(Invite friends to try their luck)

March 25- Sight & Sound Theater presents "Joshua" (Everyone going to Joshua need to come pay and pick up their tickets ASAP)

April 14 - Resorts Casino 4 hr. with slot play.

May 4 - Annual Mother's Day Luncheon at the Clarion

June 4 - Surfflight Theater presents "A Grand Night for Singing"

March welcome back Daylight-Saving Time and Spring. Happy St. Patrick day, Erin Go Bragh. The January monthly meeting was our traditional holiday buffet meeting. The kitchen crew again did a great job cooking up pulled pork, chicken parm and penne vodka. Presentation was an Abbott and Costello video.

At the time I am writing this, we are weeks away from our March meeting. The night's presentation and menu has not been decided but you can be assured it will be delicious and an enjoyable evening.

In January we held our second AED/CPR class. We had over twenty attending the class. We are working with Holiday City Berkeley First Aid to hold certification classes. January we also had our Murder Mystery Theater performance by D.O.A actors. Pictures have been posted on HCS website and Men's Club Facebook. Fun night. Thanks to all the volunteers that made it a success.

Movies at the clubhouse came back January 23rd. We streamed the 2025 The Naked Gun movie. Future shows are planned. Check the Movie Facebook group for dates, times and movies. This activity is free to all HCS residents and their guests.

Our annual St. Patrick Day Dance and Dinner will be on Saturday, March 14th. Tickets are \$40 and can be purchased at Friday ticket sales. Dinner by Blue Collar catering and music by DJ Tony B.

Our car show will be Saturday May 16th. Last year we had over 100 cars entered into the show. People from all over came to check the show. Expect a great day if the weather cooperates.

The Men's Club Facebook group, HCS Men's Club, is a source for information related to the club. Any resident of HCS may join the FB Group. Membership in the Men's Club is open to all male residents. Annual dues are \$10. You may join Friday mornings at ticket sales or before any monthly club meeting. Meetings are the third Thursday of the month. Meeting starts at 6pm

Trustee's Corner

Here's hoping we have a month filled with sunshine, happiness and beautiful moments.

Fran Hurley

March is a month full of history and celebration.

On March 4, 1789, the first U.S. Congress met under the new Constitution. In 1876, Alexander Graham Bell received the patent for the telephone. March 8th marks International Women's Day, a time to recognize the ongoing fight for equality. Of course, we can't forget one of my favorite holidays - St. Patrick's Day. It's a time of tradition, celebration and community for those of us with Irish heritage and for everyone who joins in the fun.

I want to wish everyone a happy and safe St. Paddy's Day.

We continue to make progress on our website and welcome any suggestions you'd like us to consider. We will also keep inviting guest speakers to our homeowner meetings to share the most up to date information affecting our community.

Please stay safe this month and if you need anything from our office, don't hesitate to reach out.

Trustee Tom McGorty

Happy March, it will be very welcomed as we have endured some of the coldest temperatures in many years and one of the iciest winter storms.

As I write this on February 6th, it is my wish that everyone is well and that the rest of the winter treats us with milder temperatures and NO MORE SNOW OR ICE.

March brings us closer to Spring, which is a time for Nature's rebirth! Enjoy it!

Joe Bushey

HCS Snow Removal Procedures

*The threshold to start cleaning driveways from our contractor is 5 inches, measured after the storm is over and to begin after Berkeley plows the streets (not predicted amount). Berkeley township will begin to plow at 2" (see attached from Berkeley Township website about their snow removal procedures).

* If you don't want your driveway plowed, we have flags that you can pick up at the office, for free and you can put them out along the edge. Other options are: leave your car in the driveway towards the back-end apron and/or put magnetic reflectors on your garage door. Remember, once they start cleaning the driveways you will need to move your cars out of the driveway so that he can plow.

* Contractor stays 2 feet away from the garage door, please don't open the door and ask him to do closer. They do not provide hand shoveling or salting.

* Our contractor is not responsible if Berkeley Township plows you in after your private contractor cleans your driveway.

* Clubhouse property is always cleaned of snow regardless of the amount.

* Please don't call the office until after the storm is done and the contractors have ample time to do the cleanup.

2026 BOCCE SEASON

The 2026 season sign up starts in January; membership is \$15. Come join, have fun and meet new friends. We need captains this year to have 18 teams, please volunteer.

Membership will be sold Friday mornings, starting January 2, 2026, till March, 2026. 9:30 - 11:00 AM in the Auditorium

SNOW PLOW AND SALTING PROCEDURES

At the start of a snow storm, salt and sanding vehicles are dispatched in Berkeley Township. Major roadways are usually done first, followed by secondary roadways. After the snow has stopped and it has been determined that accumulations have exceeded 2" to 3", the Township will begin to snowplow.

The Township will utilize approximately 70 pieces of Township equipment and approximately 30 contracted loaders for cul-de-sacs. All streets are opened curb to curb to insure the drains are opened. Sanding and salting operations continue as needed.

Each snowplow vehicle has been assigned a section to plow and will remain in that section until all roadways have been sufficiently cleaned. This may require the snowplow vehicle to make multiple passes on each street. Township forces will be plowing each street from curb to curb during each snowfall. On occasion, due to the lack of areas between the sidewalk and curb, sidewalks and driveway aprons may become covered with snow that falls off the Snowplow blade.

Township forces will not remove snow from any sidewalk or driveway apron in these instances. We regret this unfortunate inconvenience. At no time is snow to be disposed into the street from the property, parking lots, driveways and sidewalks. All snow blowers should be directed to blow snow back onto the property.

After the streets are plowed and salted, snow deposited back into the roadway creates hazardous situations, causes additional plowing of the streets and blocking of parked vehicles and driveways after the original cleanup. Summonses could be issued for non-compliance. We want to thank everyone for complying with these requests and following the ordinances, rules and regulations of the Township of Berkeley.

Any questions on these policies and procedures, Call Shawn P. Thomas, Director of Public Works at: 732-349-4616 or 732-341-1022. Or you can email: sthomas@berkeleystownship.org

Special Thank You
Lawrence Puccio & Volunteers

Lawrence volunteered to manage Bingo for a "brief" 16 years. HCS is extremely grateful to Larry and of course his favorite sidekick Grace for their continued participation, loyalty and commitment to manage our Bingo community.

In addition, Larry could not be leaving such a successful venture without his soldiers at arms. HCS is thankful for the countless volunteers also leaving us. Our volunteers have dedicated thousands of hours in their tenure to make our Bingo a success. We continue to subsidize a major amenity offered at HSC by providing convenient, free door-to-door bus services throughout our community.

Please consider volunteering, YOU can help the transition team succeed for our community: Volunteers are still needed for ticket sales, callers, kitchen, set-up and administration duties.

TREES IN THE COMMUNITY

Recently we have had several severe storms. Many of us have had tree limbs and or trees fall. The rule of thumb regarding these fallen trees and/or tree limbs is simple. If a tree or tree limb(s) that are in the common area fall in the common area, we leave the downed tree and/or tree limbs where they fall, unless they are creating a hazard. If a tree or tree limbs from the common area fall onto a member's property, the association will remove them. If a tree and /or tree limb do damage to a homeowner's home, they will have to file through their homeowner's insurance for damages, but the association will have the tree and/or tree limbs removed. Also, if the downed tree and/or tree limbs from a tree are from one that stood on the homeowner's property or the township right of way, the homeowner has responsibility for any damage they may cause. This should clarify the association policy for downed trees and/or tree limbs. If a homeowner has a tree on their property and would like to have it removed and are not sure if that tree is on their property for sure, please call the Code Committee and have them come check on it before removing anything. Berkeley Township requires that you have a permit to remove trees.

HAPPY π DAY!

3.14

Pi day is celebrated on March 14th every year!

Pi is the ratio of any circle's circumference to its diameter.

The Pi symbol was adopted by Swiss mathematician, Leonard Euler, in 1737.

3.14159265358979323846264338327950288419716939937510582...

133 YEARS

Is the approximate amount of time it would take a person to recite the 6.4 billion known digits of Pi without stopping.

You could calculate the spherical volume of our entire universe with the first 39 digits of Pi!

The earliest reference to Pi occurred in Ancient Egypt around the year 1650 BC.

Pi Day was first celebrated in San Francisco in 1988.

The number 1 is the most commonly occurring number in the first 100,000 decimal places of pi. It occurs 10,137 times.

HAPPY BIRTHDAY!

Theoretical physicist Albert Einstein and NBA superstar Stephen Curry both are born on March 14th!

DID YOU KNOW?

Most pizzerias and bakeries offer special Pi Day deals and discounts on March 14th!

It would take 12 billion digits of pi, typed in a normal-size font, to reach Kansas from NYC.

3.14159265358979323846264338327950288419716939937510582...

2.7 TRILLION

The record for discovering the most number of digits of pi belongs to Fabrice Bellard. He calculated 2.7 trillion decimal places on just a desktop computer.

When people want to measure ripples emanating from a central point, they use pi.

DID YOU KNOW?

Apple pie is the most preferred pie flavor amongst Americans, with Pumpkin pie coming in second, and Pecan in third.

American Red Cross Thank You

Dear Supporters and Friends,

The following is a nice thank you card from the American Red Cross in Powidz, Poland, they really loved the homemade cookies, baked by members of a senior community back home. //being remembered by the people back home is a big deal for them.

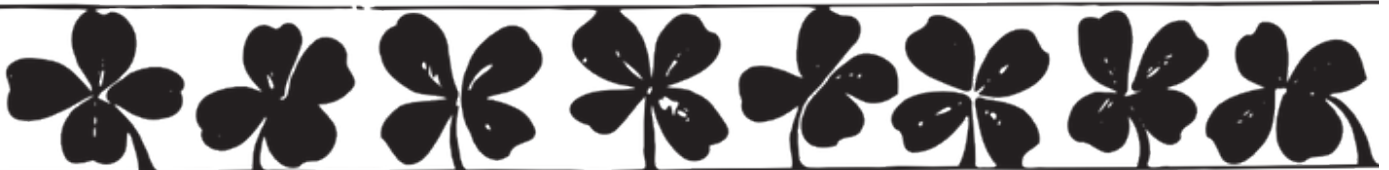

Dear Ms. Mullikin,

1-14-2026

We received your box today - the home made cookies were fought over - The comic books were put out - they go quickly as well. Unfortunately we can't use DVDs or CDs - the service members stream all that - We love being remembered -

Thank you so much -

March 2026

March birthstone symbol is – Aquamarine. This is the traditional birthstone for those born in March, a symbol of youth, health and hope. March has a second birthstone, the Bloodstone. This ancient stone was believed to have healing powers — especially for blood disorders. March is considered the beginning of Spring.

The birth flower for March is the **Daffodil**. It is synonymous with Spring as it is the epitome of rebirth and new beginnings. When we see the daffodil, we know the nice weather is just around the corner.

Spring, Rebirth, Domestic Happiness, Respect, Regard and Friendship.

March 2nd, Purim Jewish Holiday is all about unity, family and togetherness,

March 8th, Daylight savings time when we Spring forward and put the clock ahead one hour, giving us a longer day of sunlight.

March 17th, St. Patrick’s Day, the celebration is a cultural and religious celebration occurring annually on this day, recognizing the patron Saint of Ireland, Saint Patrick.

March 19th, St. Joseph’s Day, the Feast of St. Joseph, husband of the Blessed Virgin Mary.

March 19th, ends Ramadan

March 20th, the first day of Spring in 2026. It is also called the Spring Equinox.

March 29th, Palm Sunday

Daffodils

*I wandered lonely as a cloud
That floats on high o’er vales and hills,
When all at once I saw a crowd,
A host, of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.”*

by William Wordsworth

Bailey's Spiced Irish Coffee

Ingredients:

- | | |
|----------------------------------|---------------------------|
| 2 oz. Baileys Irish Cream | 1 oz. spiced rum |
| 1 tablespoon sugar | 1 tsp. sugar |
| 4 oz. espresso, or strong coffee | 2 tablespoons heavy cream |
| Cinnamon to dust on top | |

Instructions:

Whisk the cream with a teaspoon or two of sugar just until thickened but it doesn't hold peaks.

Warm a cup and add the baileys, rum, and sugar.

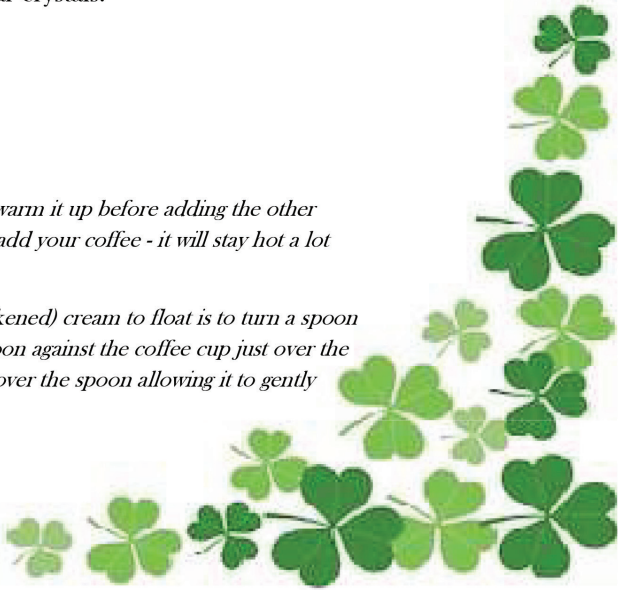

Pour in the hot coffee and mix well.

Carefully spoon two tablespoons of the cream over the top and dust with cinnamon or sugar crystals.

Expert Tip:

Pour boiling water in the coffee mug to warm it up before adding the other ingredients. Just pour the water out and add your coffee - it will stay hot a lot longer.

The easiest way to get the (properly thickened) cream to float is to turn a spoon upside down and place the tip of the spoon against the coffee cup just over the coffee. Slowly pour the whipped cream over the spoon allowing it to gently cover the top of the coffee.
